[REDACTED] Picked up from the office of Representative Albert
Quie a pictorial booklet on Alma Ata in the Soviet Union. This booklet had
been sent to the Representative by his correspondent in the Soviet Union.
Quie is providing the booklet for our retention. It is being forwarded to

[REDACTED] Checked with the Senate Post Office and Civil
Service Committee to determine when the Committee's hearings on pay legis-
lation would be published. I was informed that the hearings were adjourned
subject to the call of the chair, they are not completed and there will be no
publication until the hearings are completed. No date has been set for
further hearings.
